

Katrin Seat Sanitizer (Toilet) 500 ml

Product number: 954311

Family: Surface Sanitiser (Biocide)

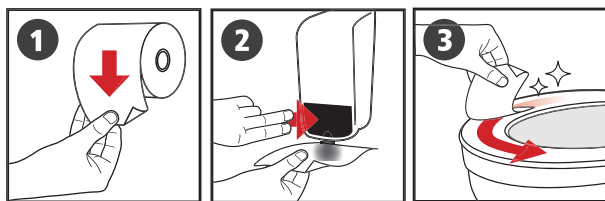

Number of portions: 1250 portions

Scent/Fragrance: not scented

How to use:

For surface disinfection according to EN 13967:

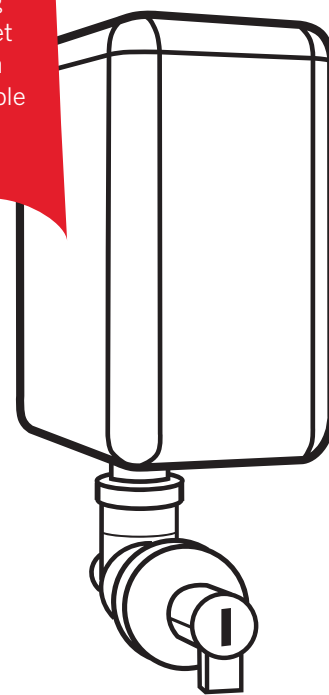

Highly efficient and quick-acting surface sanitiser. Disinfects toilet seats and other hard surfaces in washroom environments. Suitable for alcohol sensitive surfaces (e.g. acrylics).

1 Take a sheet of toilet paper.

2 Use 3ml foam on the paper sheet.

3 Wipe the seat and wait for 30 sec.

Where to use:

Hygienic surface disinfection of toilet seats or other surfaces in all kinds of washrooms, e.g. offices, kitchen, work places, schools, kindergartens. Suitable for food processing companies. Conforms with the European standard EN 13967.
